## Power Grab™ INSTANT GRAB™

- 9X Higher Holding Power**  
 Grabs instantly with 9 times higher initial hold than traditional construction adhesives and is repositionable for 15 minutes
- No Bracing, No Nailing**  
 Instant grab feature virtually eliminates the need for bracing, nailing and other fastening devices. When used as directed, Power Grab® can hold instantly a maximum vertical load of 20 pounds per square foot (10 grams per square cm) on a porous surface. For heavier loads bracing may be required.

**This water-resistant, paintable construction adhesive easily bonds many combinations of surfaces\*:**

Porous Surfaces	Non-Porous Surfaces
<ul style="list-style-type: none"> <li>• Concrete</li> <li>• Brick veneer</li> <li>• Treated lumber</li> <li>• Plywood</li> <li>• Shed panels</li> <li>• Molding</li> <li>• Decks &amp; fences</li> </ul>	<ul style="list-style-type: none"> <li>• Stainless steel</li> <li>• Aluminum</li> <li>• Ceramic</li> <li>• Tile</li> <li>• Most plastics</li> </ul>

\*One surface being bonded must be porous.

Product Availability	
Item # 1210760	300 ml cartridge*
Item # 1210759	825 ml cartridge

\* Uses standard size caulking gun
