Marking/Labeling Examples

This addendum is to be used in conjunction with the 2008 DSG to cross-reference the 'Transport Code' listed here, against the associated Bill of Lading descriptions, National Motor Freight Classifications (NMFC), and Marking & Labeling examples listed in that document*.

*This Addendum provides one additional *Bill of Lading description* and *Marking & Labeling* example on Page A7 of this document, (for Material # 1158515) which was not in the 2008 DSG
