

THE ADHESIVE SOURCEBOOK

**Your Source for
LOCTITE® PRODUCTS
FOR DESIGN, ASSEMBLY,
MANUFACTURING AND MAINTENANCE**

The Adhesive Sourcebook is the preferred choice for locating high-performance Loctite® adhesives, sealants, lubricants, coatings, dispensing and curing equipment for industrial manufacturing and maintenance repair.

The Adhesive Sourcebook contains over 1,500 products in total! Put them to work to make things better, faster and more cost-efficient. Loctite® products will help you tackle the most difficult challenges the world can throw your way.

THE ADHESIVE SOURCEBOOK 2010 HAS BEEN ENHANCED

Easier to use and easier to read
Check out some of the **NEW** features:

Source's REVEALED

In each section of the Adhesive Sourcebook, we reveal the typical application areas where Loctite® products are used, including the key industries and applications. Throughout the Adhesive Sourcebook, we've added even more application/industry photos that pinpoint the exact application areas for you.

EASY TO MATCH EQUIPMENT WITH LOCTITE® PRODUCTS

EQUIPMENT	LOCTITE® PRODUCT	APPLICATION
Hand dispensing	Loctite 6090	Hand dispensing
Hand dispensing	Loctite 6090	Hand dispensing
Hand dispensing	Loctite 6090	Hand dispensing

We've made it easier for you to match up the right equipment with the Loctite® product for your application. We also have added the related page number where complementary consumables and dispense accessories can be found.

e-CATALOG

The Adhesive Sourcebook is now also an online catalog where you can find quick links to products, equipment, Technical Data Sheets and Material Safety Data Sheets. Check it out on www.henkelna.com/loctite.

Source's PICK

Products marked as Source's Pick are products that have consistently demonstrated proven performance in handling a variety of customer applications, and are most often included in initial product testing and evaluation.

ADDITIONAL RESOURCES AVAILABLE

The Adhesive Sourcebook is supported by information over the phone and on the web.

[On the Phone]

1-800-LOCTITE (562-8483) - U.S.
1-800-263-5043 - Canada

Technical Product Assistance

Application Assistance – Receive local application assistance from the Loctite® Adhesives and Sealants Specialist in your area.

Distributor Locator – Access the name of your nearest distributor authorized to sell Loctite® products.

Loctite® is the preferred choice for high-performance adhesive and sealant solutions for industrial manufacturing and maintenance.

LOCTITE®

[Website]

www.henkeln.com/loctite

In addition to support from your local representative, our website, www.henkeln.com/loctite, is your source to Loctite® distributors, safety and technical data sheets, literature and product application assistance. Here is a brief overview of what our website has to offer:

E-catalog – Gain quick and easy access to product descriptions, approvals/specifications, application suggestions, package specifications, and technical and material safety data.

Application Assistance – Application assistance aids in narrowing the range of products suitable for your design and maintenance needs. Or send a message to your local Adhesives and Sealants Specialist to arrange “in person” assistance.

Distributor Locator – Find a local distributor in the U.S. or Canada that has the product you need. All it takes is a zip or postal code.

Data Sheets & Literature – Instant access to Technical Data Sheets and Material Safety Data Sheets. View electronic versions of our design guides, bonding guides, quick reference tools and other special literature.

What's New? – Find out about new Loctite® product introductions, feature articles, trade show schedules and application success stories. Register online for adhesives seminars or CEU-accredited Manufacturing Reliability Training classes in your area.
